DEVELOPMENT STAGE CHANGE NOTE (DSCN)

Assy. Name	Door Arrangement	Item Code	1E1S100000001	DSCN No.	RED-RD-DS-001-DSCN-03-20
Project Name	LHB Plug Door	Drawing No. & Rev.	1S100000001 Rev. 04	Date	04-09-20
CRS No. :-	RED-RD-DS-001-CRS-R&D-03-20	Ref EDN No. :-	RED-RD-DS-01-EDN-08-20; RED-RD-DS-01-EDN-03-20		

The following drawings which are under development stage are amended and being sent to you for your information and necessary action. These supersede all previous drawings of the same parts existing with you. Please return the old drawings.

S. No.	Item code	Drawing no.	Rev	Description	Changes	Reason for change	Changes effects stock (Yes/No) #
1.	1E1S100000335	1S100000335	01	GUARD PANEL HOUSING	- Size of the GP is reduced from 500x700x250 to 500x400x200. - Cutouts for HMI & connector added. - Position of cutouts on door modified as per latest RDSO specification no. RDSO/2019/CG-01. - Holes added in the mounting plate for connectors and PCB.	Design of Guard Panel is standardized in the latest specification released by RDSO for Automatic Plug Doors.	No
2.	1E1S100000363	1S100000363	01	STICKER FOR GUARD PANEL	- Size of sticker reduced as per the new standardized GP size. - Position of cutouts modified according to the connectors and cutout for HMI added.	Design of Guard Panel is standardized in the latest specification released by RDSO for Automatic Plug Doors.	No
3.	1E1S100000486	1S100000486	01	DOOR PANEL WITH HOUSINGS ASSEMBLY-1	Part added for mounting the leading edge passive door seal bracket. Notes updated & section Y-Y added.	Door panel requires a passive seal at leading edge for proper sealing.	No
4.	1E1S100000400	1S100000400	01	INNER SKIN FOR DOOR LEAF-1	Holes are provided for mounting the leading edge passive door seal bracket. View A added.	Door panel requires a passive seal at leading edge for proper sealing.	No
5.	1E1S100000051	1S100000051	03	BOTTOM GUIDE RAIL	Dim. 79 changed to 53.	Position of holes modified to make them symmetric about door leaf.	No

Remarks:

In case change effects stock, attach ASW format
